(See Glossary – Headgear Standards; see Article E 4.0; See article A905 General Rules EC). **Westman Dressage requires those riding Western Style Dressage tests to wear helmets.*

STABLING AND TACK STALLS: It is prohibited to tie a horse to a trailer. A mandatory stabling fee will be charged per horse. Stabling fees include final cleaning of the stall. Tack stalls are optional; however, no tack or feed can be located in the aisles. Tack stall sharing is allowed but will be limited by COVID-19 restrictions, if any. It is the responsibility of the competitor to find someone to share with if they want to share the tack stall with someone else. Due to fire rules and insurance regulation, all tack, boxes, bedding, etc. can't be stored in aisle ways as they must be clear at all times in case of emergency.

HORSES: Horses may be removed from the show grounds after they have completed competition for the day, however the mandatory stabling fee will still be charged for each horse that competes. Once the horse has completed its last class, it may leave the show grounds (but we encourage you to stay for the presentation of awards and prizes!)

FAMILIARIZATION: Horses may be brought for familiarization at a cost of the \$35 administration fee and mandatory stabling fee. No class need be entered. Consideration to competitors must be given i.e. if your horse is causing a disturbance please remove it from the competition area. Numbers must be worn at all times. Appropriate memberships are required for athletes who are attending with a horse for familiarization. Individuals bringing horses for familiarization are bound by the rules of EC, including drug rules and vaccinations. (see Article E 7.11.3)

FREESTYLE TESTS: Bronze competitions require no minimum technical score. Furthermore, an athlete in a Bronze competition may enter freestyle without having ridden the technical test at the level of freestyle entered (e.g. competes in first level technical and second level freestyle) (see Article E 10.6)

Freestyle eligibility for athletes in Gold and Silver competitions (all EC levels and FEI freestyle levels): A horse/rider combination must have obtained the following prior to competing in a freestyle: a minimum score of 60% in a dressage test at the same technical level, or higher, as the freestyle they wish to enter (e.g. 60% in First or Second Level to compete in the First and/or Second Level Freestyle). The dressage score may have been obtained at an EC Gold/Silver dressage competition prior to the competition, or may be obtained at the same competition in which they wish to enter the freestyle. (see Article E 10.6.1) Technical scores earned at Silver competitions count toward being allowed to enter a freestyle in a Gold competition and vice versa. (see Article E 10.6.2)

An athlete must enter the arena within 30 seconds of the music starting. Exceeding 30 seconds will entail elimination. The music must cease at the final salute. If the music does not cease, a penalty of 0.5 of a mark is applied to the mark for the music. Each athlete may have a representative in the sound system booth to supervise the handling of the music. (see Article E 10.2).

A horse/rider combination may compete in a maximum of two consecutive EC freestyle levels per day. These must correspond to the technical levels at which the horse/rider combination are competing on the same day; e.g.: Second Level technical plus First and Second Level freestyles. (see Article E 10.6.3)

MUSIC: CD's for Freestyle must be submitted when signing in at the show and you must have the music recorded at the start of the CD. Please bring an extra copy of the music for backup in an alternative media format. Check that your name is on the CD and indicate when it is to be started (e.g. after the salute, outside the ring, etc.) A sound check may be requested prior to entering the ring area. (see Article 10.3)

PRESENTATION OF AWARDS: All show ribbons for classes can be picked up with tests during the day on both Saturday and Sunday after the end of the class, if allowed by COVID regulations. Champion and Reserve ribbons and/or prizes will be presented during lunch and after the completion of the show on Sunday afternoon. We wish to show appreciation and respect to our sponsors, therefore, the Show committee requests that competitors or their designates and their horses be suitably attired, with proper head gear, for presentation of awards. Photos will be taken for publication.

LIABILITY: It is a condition of entry that neither Westman Dressage nor the Show committee will be held responsible in any way for damage, injury, or loss to persons, horses or property of spectators or competitors. Waivers must be signed by all Persons

Responsible and their parents/guardians, as well as the horses' legal owner. Persons Responsible must be present and accountable. Persons Responsible who are prevented from performing their duties by reason of illness or other cause, or who must be absent from any competition where horses under their care are entered and stabled shall immediately notify the competition secretary and, at the same time, appoint a substitute. (see Article A1011)

PROTESTS: A protest at an EC sanctioned competition, other than those specific matters covered in discipline/breed sport rules, must comply with the following provisions:

- a) a protest is eligible only if made by an EC Sport License holder (i.e. owner, lessee, trainer, coach, official, competitor or authorized agent) or by any person listed in A212 (Exemptions from Sport Licenses) in the division in which the question arises;
- b) a Protest must be made in writing and addressed to the secretary of the OC at the event which the matter under consideration occurs. Every Protest must be signed and must be accompanied by a deposit of \$100 in cash. (Note that protesting a horse's height also carries a \$100 cash deposit). For full details see Article A 1204 General Regulations.

The soundness of a horse, when determined by an official veterinarian of the competition, or by a judge, is not subject to protest. (see Article A1202).

COMPLAINTS: A Member may file a Complaint within 21 days of the date on which the alleged breach of the EC rule or policy occurred. All Complaints regarding a Dispute shall be sent directly to the President of EC or his/her designate, together with the required deposit (as per the Schedule of Fines and Penalties) and a brief summary, in writing, of the reasons and circumstances of the Dispute. For full details refer to the EC Discipline, Complaints and Appeal Policy.

CALLERS: A caller for tests will be provided at a cost of \$3.00 per test for any competitors that would like a caller provided for them. You are allowed to have your own caller. Tests will be called over a sound system. All EC tests may be called during the competition, limited to reading the movement a maximum of twice without adding anything else which might assist the athlete. Caller's dress code is to be smart and casual Jeans slacks and mid length shorts are permitted. Inappropriately dressed callers may not be allowed to call a test. Callers may not wear personal electronic devices while calling tests. (see Article E 9.1).

SALUTE: Athletes must take the reins in one hand (either left or right) at the salute. Let the other arm drop loosely along the body and incline the head in a slight bow. Gentleman athletes may not remove their protective headgear at the salute. In freestyle classes, the initial and final salutes must be made inside the arena and with the horse and rider facing the judge at C. Failure to salute is an error of test and the rider will incur a two point penalty. (see Article E 9.2)

DOGS: must be under control, quiet and on a leash at all times. The use of flexi-type leashes is discouraged. Please review the Keystone Center's policy regarding dogs on the property. <http://www.keystonecentre.com/about/rules-regulations/> (Pets – always on a leash, allowed in stabling areas only, not in halls, show areas, or concession vicinity)

TIPS TO PROTECT YOUR HORSE AWAY FROM HOME

BIOSECURITY REQUIREMENTS FOR ALL COMPETITORS

- Stall Labels must be completed for each horse, including the horse name and 24-hour emergency contact information, and placed on the horse's stall door.
- You must check your horse's temperature twice a day and record it on the Horse Temperature Chart. A normal horse temperature is between 37.2 – 38.3° C. **Any temperature over 38.8° C (102° F) must be reported to the horse show office and/or horse show veterinarian.**
- Do not share feed/water containers or buckets between horses and do not use communal water troughs. While filling a bucket, do not let the hose end touch the bucket or the water in a bucket.
- Sharing tack and equipment puts horses at risk and is not recommended. If tack/equipment must be used by multiple horses, be sure to clean/disinfect it between uses by different horses.
- Observe good hygiene around all horses on the grounds, and especially after handling a teammate's horse prior to touching your horse.
- Wash hands immediately with soap and water, or use disinfectant hand solution after handling horses, especially after contact with the mouth, nose or feces.
- Hand sanitizers are available. Please use them and indicate the importance of their use to your friends, family and casual visitors.
- All stalls have been cleaned of all manure and bedding, and disinfected. Feel free to sanitize your assigned stall prior to bringing your horse in.
- Do not allow nose-to-nose contact between horses.
- Do not permit your horse to lick or sniff surfaces in common areas. If this does occur, please use a disinfectant wipe on the area.
- If sharing a wheelbarrow, please do not bring it into your horse's stall. Leave it in the aisle.
- Please dispose of manure in designated areas only. Do not put trash in manure pile.
- If your horse develops a fever or signs of illness, contact the show veterinarian or steward immediately.
- Following the competition, it is recommended that all horses be isolated at their home facility for 21 days prior to reintroduction to other horses. If this is not possible, be sure to observe all horses carefully for 21 days.
- Following the competition, all horses should have temperatures taken twice a day for four days, and be observed for abnormal behavior and signs of cough, nasal discharge, discomfort or lameness.

If you have any questions or concerns, please contact the Competition Organizer directly. They are available to assist you with any biosecurity concerns during the competition.
